IMPAC 5

ABOUT IMPAC5:

From February 3-9, 2023, ocean conservation leaders and professionals from around the world are convening in Vancouver, Canada, for the International Marine Protected Areas Congress (IMPAC5).

YOU'RE INVITED!

LIVE from IMPAC5 gives schools across Canada, and globally, an opportunity to meet, listen to, and speak with four young professionals who are creating an inspiring wave of hope, talent, and change to ensure a healthy ocean for current and future generations.

FORMAT:

15 minute presentation, followed by lively facilitated Q&A for approx 25 min
